Case No. [19-cv-05440-RS](#) (DMR)

ORDER TO SHOW CAUSE

Re: Dkt. No. 79

10 The court held a Zoom-based settlement conference on October 15, 2020, at which
11 Plaintiff Larry Reynolds was represented by pro bono counsel Laura Chapman in his claims
12 against Defendants Apple and Google. The parties settled the case in full. They finalized written
13 settlement agreements which Ms. Chapman reviewed with Mr. Reynolds. Due to the Covid-19
14 pandemic, the court had to hold the settlement conference by Zoom instead of in person. Had the
15 conference taken place in person, the court would have obtained Mr. Reynolds' signature on the
16 agreements. However, Mr. Reynolds was participating from out of state, and does not have home
17 equipment to facilitate the signing process. Instead, Mr. Reynolds represented to the court that he
18 would go to his neighborhood Office Depot the same day in order to print, sign, scan and email
19 the settlement agreements back to Ms. Chapman, who would forward them to defense
20 counsel. Mr. Reynolds has not yet done what he promised to do. Therefore, Mr. Reynolds is
21 ordered to show cause by November 6, 2020. By that date, he must either send both signed
22 settlement agreements to Ms. Chapman, or file a written response explaining why he has not
23 signed the agreements as promised. Ms. Chapman shall promptly send a copy of this order to Mr.
24 Reynolds via email.

25 **IT IS SO ORDERED.**
